

REMARKS

The remarks submitted in the prior response are essentially reiterated here to reflect the accompanying amendments.

The claims have been amended to parallel those filed in the PCT Application as an Article 34 Response to the Written Opinion of the International Preliminary Examining Authority, filed in PCT/US2005/004412, the PCT application from which this U.S. application claims priority, on 15 February 2006.

The Amendment was also made to insert the claim for priority at the beginning of the application.

It is respectfully submitted that the subject application is now in better condition for examination.

Respectfully submitted,

FAY SHARPE LLP
